

ELMWOOD

Supporting the wholeness of life.

*Fall Feast*

— SPONSOR PACKAGE —

## **Creating Access to Safe, Reliable and Appropriate Transportation for Community Inclusion**

Elmwood was established in 1969 as a community-based residential support service for adults living with intellectual disabilities. We deliver high-quality care and services to adults with interwoven intellectual, medical, and physical needs. We envision and work diligently to ensure those we serve are meaningfully included in their community and one of the challenges to reaching this vision is the struggle to access the community.

Challenges with transportation are very real for this population and we recognize that creating access to safe, reliable and appropriate vehicles is essential to achieving and delivering our Resident First Culture and Person-Centred Services. Our fleet of vehicles is used daily to support residents attend employment, Day Programs, community events and recreational outings. They also allow residents to get their groceries, attend specialty appointments on time, meet their friends and family for coffee and most importantly feel safe, supported and a strong sense of belonging to their community.

Despite the importance of these vehicles, capital funding to purchase them is not provided by the Ministry of Social Services. In fact, we only received \$1,900 per community home in the past fiscal year for all fuel and maintenance which is not nearly enough to get our residents where they need to be, maintain or improve our fleet which in most cases requires a vehicle more equipped than an off-the-lot minivan to adequately support resident accessibility.

With your support of the Elmwood Fall Feast we will be one step closer to improving our fleet of vehicles for all those we serve and ensure they are meaningfully included in their communities which not only improves the individual's quality of life but creates a richer, brighter and more inclusive Saskatoon.

# Elmwood's Fall Feast

Elmwood, along with its Board of Directors, are currently looking for sponsors and partners within the Saskatchewan Business Community for the Elmwood Fall Feast presented by the Miners Construction Co. Ltd.

Through partnership with our fundraising gala your company will be demonstrating its support of an inclusive community. One where people living with intellectual disabilities are respected and empowered to make their own choices and lead full and meaningful lives within the city of Saskatoon.

We are excited to build upon the the success of our 2021 and 2022 events where we raised a net profit of approximately \$55,000 each year. Looking ahead to this year, we anticipate growth in our audience size with an estimated 250-300 guests being in attendance from a wide range of business industries at our new location of Hall B, WTC Saskatoon at Prairieland.

As a sponsor we are grateful for your leadership in supporting those with intellectual disabilities and will be happy to recognize your support wherever appropriate including on site and in pre-event promotion.
